Chairman Ann Dralle
Will County Board
302 N. Chicago Street
Joliet, Illinois 60432

Dear Chairman Dralle:

The Will County Adult Detention Facility and the River Valley Juvenile Detention Center are currently in the sixth year of our medical contract with Correct Care Solutions. That contract is set to expire on October 31, 2012.

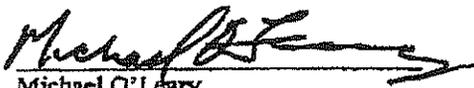

In February of 2012, the Facilities began the process of recruiting and selecting a qualified consultant to develop the Request for Bid for a new medical contract and to coordinate the vendor review and selection process. Finding a consultant with the background and expertise to oversee the RFB process for a contract of this size and complexity proved to be more difficult than expected. Ms. Terri Marshall, a highly qualified consultant, was selected and a contract for her services was agreed to on June 18, 2012.

Ms. Marshall has strongly recommended that we seek a three month contract extension to allow interested vendors the time necessary to prepare a well thought out and site specific proposal response to the County's detailed and extensive Request for Bid.

Given the timeline requirements of a Request For Bid, and the aggressive schedule necessary to select an appropriate vendor prior to expiration of the current contract, the October 31, 2012 date would not allow the preferred 60 day start up transition required to ensure continuity of quality care for the inmate and youth populations served by the two Facilities.

The Will County Adult Detention Facility and the River Valley Juvenile Detention Center respectfully request your approval for an extension of the current medical contract for a period of three months, effective November 1, 2012 through January 31, 2013.

Respectfully,

Michael O'Leary
Chief Deputy
