BID # 2013-21
MISCELLANEOUS PAPER PRODUCTS
SUNNY HILL NURSING HOME, JOLIET, IL

ADDENDUM #1
October 9, 2012

We received the following questions regarding the bid listed above:

Question # 1: Is this a one vendor/all or none bid?

Answer # 1: No, this bid could be awarded by line item, which would result in multiple bidder awards. Vendors may bid on any/all line items.

Question # 2: For the samples on the bids does SHNH want samples only for alternate items we bid on that are not the same product/model as listed in the bid? Or do you also want samples for items that we bid that are the same as in the bid specifications?

Answer # 2: We are requiring samples of all items vendors are bidding on, regardless of manufacturer.

Question # 3: Who won your bid for can liners last year and what was the price per case they gave you? Specifically; 24x24, 40x46, 24x33? Can I get a copy of the previous winning bid please?

Answer # 3: See attached.

Question # 4: Would this be a one time delivery for the year? How many cases do you take per location at a time?

Answer # 4: No, line items are ordered as needed, weekly or monthly, throughout the year. All delivery of cases ordered are accepted at only one location, Sunny Hill Nursing Home, 421 Doris Ave, Joliet, IL, 60433.

Question #5: Does your facility have a loading dock for delivery and is there a pallet jack to assist with unloading?

Answer #5: No, there is no loading dock. Per the bid specs "Delivery of product will be made to the Receiving Door of the Sunny Hill Nursing Home of Will County. The driver must be prepared to take the cartons off the back of the truck; shipments on skids will not be accepted for that reason."
