Hi, Rita –

After reviewing the bids from your procurement process we are recommending the purchase of a new Mobile Workforce Center from Farber Specialty Vehicles in Columbus, Ohio. The final pricing sheet is attached, and they have agreed to take our current vehicle in on trade. We would like to request permission to purchase from the Court Board at the April 16 meeting; this will be contingent on approval from Department of Commerce and Economic Opportunity (expected in the next week or so) and approval from the Workforce Investment Board at their April 13 meeting.

Please let me know if you need anything else from us – thanks so much!

Susan
