**BID # 2015-61**  
**BOND CO-MANAGERS RFQ**

**SEPTEMBER 11, 2015**  
**ADDENDUM 1**

We received the following questions regarding the RFQ listed above:

Question # 1: Please confirm that the **RFP** is open for a period of six (6) months or less.

Answer # 1: This is an **RFQ** not an RFP. It is open for approximately six weeks. Firms who reply will present their qualifications so the county can develop a list of firms to use when bonding in the future. There is no time frame established for bonding. At this point we have several capital projects that are needed, however the timing and funding have not yet been determined. There is no expectation that we will be issuing bonds in the next six months.

Question # 2: Request for Qualifications for Bond Underwriting Co-Managers states that one digital copy must be provided on USB smart drive. Would we be able to provide that digital copy via CD instead?

Answer # 2: Yes, please provide one (1) digital, electronic copy, either CD or Flash Drive, of all submitted materials.
