**BID # 2016-23 BODY ARMOR - SHERIFF**

**ADDENDUM 2**  
**February 4, 2016**

We received the following questions regarding this bid:

Question # 1: Can you give us some clarification as to what would warrant the Return of Product in a bid for Body Armor with Will County?

Answer # 1: Return of Product could include: If the Deputy sized receives their vest after being fitted and it does not properly fit, and anything that falls under #4 (Warranty) of the Technical Specifications.

Question # 2: We are in search of a copy of all the bid proposals by bidders from the prior Body Armor contract with Will County, in addition to the awarded bid. Is this available through the FOIA or somewhere online? And if so, what is the process that I must follow to obtain that information.

Answer # 2: Attached please find Resolution # 13-29 for award of bid from 2013, which shows all bidders and pricing, captured directly from each respondents bid forms, and all associated documents regarding this award.

### INTEROFFICE MEMORANDUM

**To:** Rita Weiss Purchasing  
**From:** Sergeant Michael Mackay  
**Subject:** 2013 Vest Bid  
**Date:** January 25, 2013

**Rita:**

After reviewing the bids for ballistic vests for 2013 the only company whose vest met all of the requirements was Air One-Police One. Their KDH vests will be the vest that we would like to purchase. The purchase price is \$548.00

**JCM:** Backface signature of the vest is above 34 on the .357 magnum their backface signature is 34.34. Because of this their vest did not meet our minimum requirement.

**GALLS:** Backface signature of the vest is above 34 on the .357 magnum their backface signature is 36 on the male vest. Because of this their vest did not meet our minimum requirement. Their areal density had 2 different listings on one report it was .93 on the other .79.

**Streichers:** Areal density weight is above .88 the requirement was below .88

**Bob Barker:** Backface signature of the vest is above 34. Because of this their vest did not meet our minimum requirements. The .357 backface signature is 34.7. They also did not meet the requirement of a male and female vest, their vest is gender neutral.

**Ray O'Herron Inc:** Failed to sign all of the required paperwork so their bid was not valid.

**J&G Uniform:** Pulled their bid because they were unable to secure the required bid bond.

As always I appreciate your assistance and Missy's assistance with this.
