

**RESOLUTION OF THE COUNTY BOARD
WILL COUNTY, ILLINOIS**

Awarding Bid for Household Hazardous Waste Collection

WHEREAS, the Illinois Solid Waste Planning and Recycling Act mandates counties to plan for the management of solid waste; and

WHEREAS, the COUNTY adopted the third five-year update of the "Will County Solid Waste Management Plan", on November 20, 2008; and

WHEREAS, in keeping with the County's Solid Waste Plan, Will County will provide options to the public for the safe collection and appropriate management and disposal of Household Hazardous Waste when funding is available and in response to program needs; and

WHEREAS, Waste Management, Inc. pursuant to the "Host Agreement and Agreement for Operation/Development of the Will County Landfill" will pay for two household hazardous waste collections per year each spring for the life of the landfill; and

WHEREAS, on April 6, 2016, the County Executive's Office opened three (3) acceptable bids to provide household hazardous waste collection services, for a minimum of two (2) and up to six (6) household hazardous waste collections per year; and pharmaceutical waste pickup from the County Warehouse, as needed; and paint collection supplies drop off or paint pickup at county partner sites, as needed for a three year period; and

WHEREAS, the Resource Recovery & Energy Division staff has recommended, and the Executive Committee concurs, that the bid for household hazardous waste collection services be awarded to the lowest responsible and responsive bidder, Tradebe Treatment & Recycling, Merrillville, IN, for an approximate cost of \$29,906.15 per event and all costs associated with this agreement will be paid from the Solid Waste Management fund.

NOW, THEREFORE, BE IT RESOLVED, that the Will County Board hereby awards the agreement for the household hazardous waste collection services to the lowest responsible and responsive bidder, Tradebe Treatment & Recycling, Merrillville, IN, for an approximate cost of \$29,906.15 per event for a three (3) year period, starting June 1, 2016 and ending May 31, 2019.

BE IT FURTHER RESOLVED, that the Preamble of this Resolution is hereby adopted as if fully set herein. This Resolution shall be in full force and effect upon its passage and approval as provided by law.

Adopted by the Will County Board this 19th day of May, 2016.

AYES:	Howard, Ogalla, Moustis, Moran, Rice, Harris, Traynere, Bennefield, Fritz, Freitag, Gould, Balich, Fricilone, Brooks Jr., Winfrey, Parker, Staley-Ferry, Wilhelmi, Hart, Maher, Tuminello, Weigel, Collins, Ferry
ABSENT:	Singer, Babich

Result: Approved - [Unanimous]

Nancy Schultz Voots (SEAL)
Will County Clerk

Approved this 2nd day of June, 2016.

MEMORANDUM

DATE: April 20, 2016

TO: Will County Executive Committee

FROM: Dean Olson, Resource Recovery & Energy Division Director
Dave Hartke, Household Hazardous Waste Program Manager

RE: Recommendation of Household Hazardous Waste Contractor

In keeping with the Will County Solid Waste Management Plan approved November 20, 2008, by the Will County Board, the County will provide options to the public for the safe collection, appropriate management, and disposal of Household Hazardous Waste when funding is available and in response to program needs. Furthermore, pursuant to the "Host Agreement and Agreement for Operation/Development of the Will County Landfill" with Waste Management, Waste Management will pay for two Household Hazardous Waste Collection events each spring for the life of the Landfill Agreement. Therefore, the County conducts a minimum of two household hazardous waste collection events per year and may conduct up to six events per year.

As part of the bid, the County requested additional services such as the removal of drums containing residentially generated waste pharmaceuticals, the delivery of paint collection supplies, the removal of residentially generated paint from County partner sites, and the transportation and proper management for those drums, which include recycling, fuel blending and/or incineration. The Resource Recovery and Energy Division requested the Purchasing Department to issue RFB's for the purpose of selecting a contractor to provide the outlined services once executed. The contract period for Household Hazardous Waste Collection and related services will be from June 1, 2016 until May 31, 2019.

Will County received acceptable bids from Tradebe Treatment & Recycling LLC and Veolia ES Technical Solutions LLC. Please see the attached tables for a breakdown of our evaluation and cost comparison. The contractors that bid were evaluated on Proposal Content, Service Abilities, Technical Requirements, Availability, Liability Protection, Financial Responsibility & Compliance History, Disposal Costs, Mobilization/Drum Delivery & Pick up costs/Paint Collection Costs, and References. The bidder with the highest evaluation score and the lowest estimated costs (\$29,906) for an average event was Tradebe Treatment & Recycling LLC. **Therefore, after careful review, Resource Recovery & Energy Division staff recommends Tradebe Treatment & Recycling LLC to perform Household Hazardous Waste Collection services for Will County for the next contract period.**

Will County Household Hazardous Waste Collection Program Bid # 2016-24 -- Cost Comparison

Typical Waste Streams*	Average Quantity/Event*	Bidder Costs
		Tradebe Veolia
Aerosols Poison LP	1 drum (15 gallon)/49 pounds	98.00 113.05

Percentage above LOW BID for Mobilization, Drum Delivery/Pick up, Supply Cost		LOW BID 153%
Total Bid:		29906.15 39616.79
Percentage above LOW BID for Total Bid costs		LOW BID 32.50%

* The "Typical Waste Streams" and "Average Quantity/Event" amounts are based upon Will County's previous collection data from the five events conducted in 2015. Not all possible waste categories are represented.

EVALUATION OF BIDS (Bid # 2016-24)

For County of Will Household Hazardous Waste Collection Program

April 2016

Bidder	Proposal Content (5)	Service Ability (10)	Technical Requirements (5)	Availability (5)	Liability Protection (5)	Financial Responsibility & Compliance History (5)	Disposal Costs (35)	Mobilization Drum Delivery & Pickup Costs (25)	Reference (5)	Total Score Possible (100)
Tradebe Tr & Rec.	4	10	4	5	2	2	35	25	5	92
Veolia Env Services	4	7	2	3	3	3	32	0	5	88

Maximum number of points per criteria is listed above each column in parentheses. Bidder with highest evaluation score is recommended.

Notes:

1. The bid with the lowest disposal costs when applied to the average amount of household hazardous wastes received at County events as listed within Attachment D of the Request For Proposals received the maximum number of points. Bids with disposal costs higher than the low bid were deducted award points based on the percentage above the low bid. For example, a bid 10% higher than the lowest bid would be deducted 3.5 award points, a bid 50% higher than the lowest bid would be deducted 17.5 award points.
2. The bid with the lowest mobilization cost per average County event as listed in Attachment D of the Request For Proposals and with the lowest drum delivery/pick up cost received the maximum number of award points. Bids with costs higher than the low bid were deducted award points based on the percentage above the low bid. For example, a bid 10% higher than the lowest bid would be deducted 2.5 award points, a bid 50% higher than the lowest bid would be deducted 12.5 award points.
