We received the following questions regarding the RFQ listed above:

Question # 1: The RFQ states 1 original and two copies should be included and 10 digital copies on a USB smart drive – just to clarify is that 10 PDFs on ONE USB or 1 PDF on 10 USB drives?

Answer # 1: We are asking for ten (10) individual USB drives that each contain one (1) PDF response, to be distributed to evaluation committee, for their review.

Question # 2: Number 14 on the submittal requirements states – Appropriate visual representations of related project experience. Does this mean we should include photos with our project experience (Item 10) or should this be a separate section with photos?

Answer # 2: A separate section for relevant project photographs is not required.
