Re: Correct Care Solutions Medical Contract

Dear Mr. Moustis,

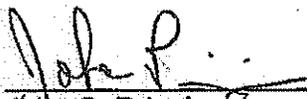

The Correct Care Solutions (hereinafter CCS) medical contract for the Adult Detention Facility and the River Valley Detention Center is up for renewal. The current contract expires on January 31, 2016.

It has come to the attention of the River Valley Detention Center (hereinafter RVDC) that there is a request to extend the current CCS medical contract. Said request is formally being introduced for discussion at the June 11, 2015, Executive Committee Meeting.

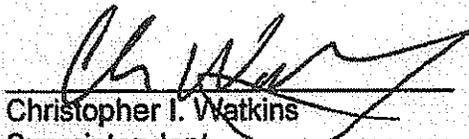

In our opinion, the CCS administration remains committed to providing excellent services to the RVDC Residents. CCS continues to be responsive to both the needs of the Residents, as well as the administration of the facility.

For the reasons cited above, RVDC strongly supports an extension of the CCS medical vendor contract. We thank you for your time and consideration in this matter.

Sincerely,
