Re: Oversize-Overweight Vehicle Permits for Bulk Grain – policy for counting  
20-days REVISION 1

Ordinance 08-200 calls for 20 calendar days of continuous operation. To eliminate any confusion, the 20-days will be counted the same as other oversize-overweight permits, skipping ~~Sundays and~~ holidays only in accordance with IDOT holiday restrictions. The permittee is responsible to review the approved permit and present questions to the Highway Department as soon as possible after issuance but absolutely prior to expiration.
