SEPTIC SYSTEM: If property has septic system, approval by Will County Health Department is mandatory.

NOTE: The RPZ Valve is to be a C.C.C.D.I. (Cross connection Control Device Inspector), one copy to be posted on the RPZ Valve and two copies for the Building Department.

A Certificate of Occupancy may be issued for said building or structure for which this permit is issued provided that the construction has begun within one hundred and eighty (180) days after issuance, that the completion of construction is in accordance with plans approved for the purpose originally designated on said building structure is within one (1) year of issuance and upon completion, successfully passing a final inspection performed by a building inspector. If you have not begun construction within one hundred and eighty (180) days from issuance or if construction is not completed within one (1) year of issuance, your permit is void.

If you request an inspection and, upon arrival of the date requested, the building inspector determines the job is not ready, has not progressed to a point where an inspection can be done or access is not possible to perform the inspection, a re-inspection fee shall be assessed. Until that fee is paid in full, no other inspections shall be made.

BUILDING PERMIT FEE IS NON-REFUNDABLE
