We received the following questions regarding the RFQ listed above:

Question 1: Where can I find the insurance requirements for an insurance certificate to include in our proposal for the subject project?

Response to Question 1: The Certificate of Insurance requested with the letter of interest should demonstrate coverage for:

1. General Liability
2. Professional Liability
3. Automobile Liability
4. Workers Comp

See following pages for sample of insurance coverage requirements.

Question 2: We're working through the RFP for the Will County Community Freight Mobility Plan. We had a few questions about the following Submittal Requirements:

One (1) original, Twelve (12) paper copies (plainly marked) and one (1) PDF copy on CD or USB must be included in the sealed response package.

Would you like us to produce a bound, full color copy and 12 B&W copies, 13 identical copies, 1 original and 12 copies with some pages removed, or something else entirely? Does Plainly Marked suggest bound with an identifying cover or is there another meaning?

Response to Question 2: The requirement in the RFQ is as stated *One (1) original, Twelve (12) paper copies (plainly marked) and one (1) PDF copy on CD or USB must be included in the sealed response package.* The original will be retained in the Purchasing Department, and all copies will be distributed to a Review Committee. Copies must be complete and identical to the original, with no pages removed. It is at your discretion as to whether you bind the original and/or the copies in full color or send B & W, but all must be clearly marked as “Original” and “Copy”.
