

**RESOLUTION OF THE COUNTY BOARD
WILL COUNTY, ILLINOIS**

Awarding Bid for Electronics Recycling Collection - Turn-Key

WHEREAS, on January 18, 2017, the County Executive's Office opened one (1) bid, to provide electronics recycling collection, and

WHEREAS, the Waste Services Director has recommended, and the Executive Committee concurs, that the bid for electronics collection recycling be awarded to the responsible bidder, A-Team Recyclers, LLC, Joliet, IL, for the approximate cost of \$91,600.00, with additional events/sites as needed, for the contract period March 1, 2017 through February 28, 2018, and

WHEREAS, sufficient appropriations are budgeted in the Resource, Recovery and Energy Budget.

NOW, THEREFORE, BE IT RESOLVED, that the Will County Board hereby awards the contract for electronics recycling collection to the responsible bidder of A-Team Recyclers, LLC, Joliet, IL, for the approximate cost of \$91,600.00, with additional events/sites as needed, for the contract period March 1, 2017 through February 28, 2018.

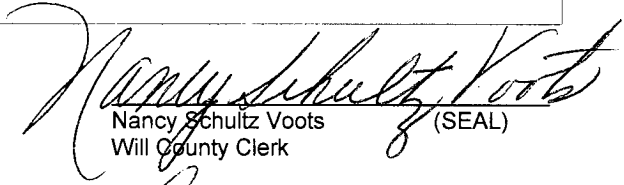

BE IT FURTHER RESOLVED, that the County Board hereby authorizes the County Executive to execute necessary documents to implement the bid award set forth herein; subject to the review and approval of the Will County State's Attorney's Office.

BE IT FURTHER RESOLVED, that the Preamble of this Resolution is hereby adopted as if fully set herein. This Resolution shall be in full force and effect upon its passage and approval as provided by law.

Adopted by the Will County Board this 16th day of February, 2017.

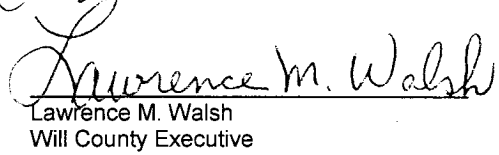

AYES:	Ogalla, Summers, Moustis, Singer, Moran, Rice, Harris, Traynere, Bennefield, Fritz, Gould, Balich, Friclone, Brooks Jr., Winfrey, Parker, Staley-Ferry, Dollinger, Marcum, Hart, Maher, Tuminello, Weigel, Kraulidis
ABSENT:	Freitag, Ferry

Result: Approved - [Unanimous]

Nancy Schultz Voots (SEAL)
Will County Clerk

Approved this 22nd day of February, 2017.

Subject: RE: 2017-58 Electronics Turn-Key Addendum 1

Hi Rita,

Thank you for making eWorks part of your bidding process. After reviewing the requirements contained in the RFP, we must respectfully decline to bid given we do not believe we will be capable of cost-effectively meeting them. However, we would welcome the opportunity to meet and discuss potential alternative service approaches if that becomes something of interest you in the future.

Kind regards,

Lou Fyda

Subject: Electronic Recycling Collection Service for Turn-Key and Lockport Bid Award

Summary

Staff recommends acceptance A-Team's bid for both the four current Turn-Key Electronic Collection Events and the services required at the Lockport Permanent Collection Site. The estimated one-year total price of the current level of service is \$91,600, however this does not include any additional sites. It is our goal to reach 7 sites in 2017. Each additional site above the current network of sites would add \$13,800 annually. This also does not include any additional permanent drop-off sites (i.e. possibly Goodwill, etc.) once we are able to negotiate an Agreement. This bid allows us to eliminate the cost of part-time temporary employees in Lockport and is expected to lower the cost of the Intergovernmental agreement with Lockport to host our sole permanent site. This vendor will pack materials into the semi-trailers supplied by ERI, the manufacturer funded vendor approved by the Board in January to do the actual electronic recycling.

History

Over the course of 2016, Will County partnered with the City of Lockport to host a permanent site with the promise of labor assistance to be open two days each week. This became the anchor site, serving as a drop-off for units of local government that found themselves picking up illegally dumped TVs. It would not be appropriate for these large quantities to flow into the Turn-Key Collection Events.

The Turn-Key Events were created over the summer of 2016 to provide twice a month service for two hours per event. It began with Peotone, Romeoville and New Lenox Township. Joliet was added later and with the City paying the County to host it on a Will County parking lot in the downtown. This approach to providing service has proven successful.

Last year we used a contractor for the Turn-Key events that proved less than reliable. We were able to switch to the current contractor, A-Team Recyclers, and each partnering site has praised their work. They are professional, courteous and efficient. They are also located within Will

County which has made their response time excellent.

Contract Cost Breakdown

4 Turn-Key Sites, open twice each month = \$55,200 (Joliet reimburses \$13,800)

Lockport Operation, open twice each week = \$36,400

TOTAL without any additional Turn-Key sites = \$91,600 for one year

(Cost after the grant to Will County \$77,800; each additional Turn-Key is \$13,800/yr)

Bidders

The bid was e-mailed to multiple vendors. It was placed on the purchasing internet site – www.willcountyvillinois.com and on www.demandstar.com. One contractor submitted a bid.

A-Team Recyclers Joliet, IL 60436	E-Works No Bid
--------------------------------------	-------------------

Evaluation/Recommendation

Several criteria were used to evaluate the qualifications and reliability of potential contractors, including, but not limited to: length of time the contractor has been in business, compliance with regulations, experience with similar clients, references, demonstrated understanding of the bid documents, conformity with specifications, inclusion of mandatory forms (proof of insurance, etc), proximity to the sites, and price.

Staff recommends contracting with A-Team Recyclers for Electronic Recycling Service at all Turn-Key Collection Sites and at the permanent Lockport Collection Site and additional sites that may be added.
