In the event the County of Will receives a request for a document relating to contractor, its provision of services, or the arranging for the provision of services, the County of Will shall provide notice to contractor as soon as practicable and, within the period available under FOIA, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption, making reference to the specific FOIA provision applicable without simply making a general claim that the information is "confidential," "proprietary," "exempt from disclosure," or the like. As such, upon request by the County of Will (or any of its officers, agents, employees or officials), the contractor shall provide to the County of Will at no cost and within the time frames of FOIA a copy of any "public record" as required by FOIA and in compliance with the provisions of FOIA. After request by the County of Will, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption, making reference to the specific FOIA provision applicable without simply making a general claim that the information is "confidential," "proprietary," "exempt from disclosure," or the like. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment.
