

# Midwest Environmental Consulting Services

## ADDENDUM

Attention: Asbestos Abatement Contractors

From: Midwest Environmental Consulting Services, Inc.

Subject: **Former Will County Courthouse  
14 West Jefferson Street  
Joliet, IL 60432**

MEC Project #: **22-03-223-PD**

Date: Friday July 29, 2022

---

1. Window removal is discouraged. If needed, the contractor shall be allowed to remove glass windows when needed from the south side of the building. The contractor at his cost shall be responsible for removing glass and reinstalling plywood in the opening. Contractor shall ensure that the opening is weather tight. In no way will glass be allowed to fall from the building. The contractor shall take every precaution to protect public safety and worker safety from falling glass
2. Elevator usage will be allowed for the duration of the project. Will County will have the elevators serviced prior to contractor mobilization to the site. In the event that the elevators do go down, the county will make arrangement for the elevators to be serviced in a timely manner.
3. OSHA's sampling can be conducted by Midwest Environmental Consulting Services, Inc. for \$300.00 per shift.
4. The project duration has been extended to ten weeks (50 shifts) at the request of the contractors.
