### **BID # 2022-73 BALLISTIC SHIELDS-SHERIFF**

#### **ADDENDUM #1 August 10, 2022**

Question #1: On page (8) of the technical specs under section 1 construction in the final paragraph you list a specific half shield cover. The half shield covers are not listed on the bid form nor are they listed on the description for the shields in the bid form.

Will those be on the bid? If so, will you sending out an addendum bid form listing those to be a separate item to be quoted?

Excerpt from bid.

*Agency requires a specific Half shield cover, manufactured with Milspec 1000 Denier DWR coated nylon fabric and milspec "e" type bonded nylon thread. Sized specifically for the above shields. All bidders shall adhere strictly to the requirements stated herein. Compliance, warranties, and brand name only. This Agency reserves the right to reject any and all bids, to waive any informality in bids and to accept any item in the bid.*

Answer #1: Please see the attached revised bid form listing space for each shield cover size. Please replace the original bid form with this for your proposal.

Thank you
