PRICES & QUANTITIES:

Prices quoted for the Original Contract Period of twelve (12) months, from September 1, 2023 through August 31, 2024 and prices quoted for any subsequent renewals subject to County Board approval shall remain in effect throughout the respective Contract Periods. Consideration will be given to the bidder that offers an additional percentage discount if awarded the bid in its entirety and is found to be low bidder overall. Quantities are based on last year's usage and are approximate figures. Quantities for new contract year(s) may vary.

If County extends the optional renewal for year(s) two and/or three, and no percent of increase has been listed on the bid form, the original first year rates will apply.

CHOICE OF LAW AND VENUE:

Any cause of action related to this bid, or contract related thereto, shall be governed by the laws of the State of Illinois without regard to conflict of law provisions. Venue for any cause of action related to this bid, or any contract related thereto, shall be in the Twelfth Judicial Circuit, Will County, Illinois.

ILLINOIS FREEDOM OF INFORMATION ACT:

Any and all submissions to the County of Will become the property of the County of Will and these and any late submissions will not be returned. Your proposal will be open to the public under the Illinois Freedom of Information Act (FOIA) (5 ILCS 140) and other applicable laws and rules, unless you request in your proposal that we treat certain information as exempt. We will not honor requests to exempt entire proposals. You must show the specific grounds in FOIA or other law or rule that support exempt treatment. If you request exempt treatment, you must submit an additional copy of the proposal with exempt information deleted. This copy must tell the general nature of the material removed and shall retain as much of the proposal as possible. In the event the County of Will receives a request for a document submitted, the County of Will shall provide notice to contractor as soon as practicable. Regardless, contractor will be responsible for any costs or damages associated with defending your request for exempt treatment. Furthermore, contractor warrants that County of Will's responses to requests for a document submitted that is not requested to be exempt will not violate the rights of any third party.

Please be advised that if your proposal is accepted by the County of Will all related records maintained by, provided to, or required to be provided to the County of Will during the contract duration are subject to FOIA. In the event the County of Will receives a request for a document relating to contractor, its provision of services, or the arranging for the provision of services, the County of Will shall provide notice to contractor as soon as practicable and, within the period available under FOIA, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment. Furthermore, contractor will warrant that County of Will's responses to requests for a document relating to contractor, its provision of services, or the arranging for the provision of services, will not violate the rights of any third party.

Please be advised also that FOIA provides that any record in the possession of a party with whom the County of Will has contracted to perform a governmental function on behalf of the County of Will, and that directly relates to the governmental function and is not otherwise exempt under FOIA is considered a public record of the County of Will for purposes of FOIA. 5 ILCS 140/7(2). As such, upon request by the County of Will (or any of its officers, agents, employees or officials), the contractor shall provide to the County of Will at no cost and within the timeframes of FOIA a copy of any "public record" as required by FOIA and in compliance with the provisions of FOIA. After request by the County of Will, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment.

AWARDING OF BID:

Due to economic reasons, this bid may be awarded in whole or in part split between bidders who have the lowest prices by line item. However, as stated above, consideration will be given to the bidder that offers an additional percentage discount if awarded the bid in its entirety and is found to be low bidder overall.

The bidder acknowledges the right of the County of Will to reject any bids in whole or in part not in compliance with the request for bids and the right to waive any non-material informalities or irregularities for any bid received and to accept the lowest responsible, responsive bid after all bids have been examined and evaluated.

The award will be based on the lowest responsible bid for the totals of the initial 12-month contract period and the two (2) optional one (1) year contracts. The bid is expected to be awarded at the July 20, 2023 meeting of the Will County Board.
