**RE: Recommendation for Contract Award**  
**2023-76 DOT Fuel Station Controls Upgrading**

Dear Kevin,

On Tuesday, April 18<sup>th</sup>, three (3) sealed bids were opened for the Fuel Station Control Upgrading here at the DOT.

The two lowest bidders, Acterra Group, LLC, and Petroleum Technologies Equipment, did not submit specifications of proposed control upgrades as specified in the bid packet in scope of work subsection 1.5, thus disqualifying them.

The only remaining bid to meet all specifications laid out in the bid packet was Crowne Industries, Ltd.

It is my recommendation to award the bid in the amount of \$46,899 to

Crowne Industries, LTD  
651 S Sutton Rd., #214  
Streamwood, IL 60107

Sincerely,

John G. Cairns  
Maintenance Administrator
