

2023-78 Tire Collection

**RESOLUTION OF THE COUNTY BOARD
WILL COUNTY, ILLINOIS**

Awarding Bid for Tire Collection Event

WHEREAS, the Resource Recovery and Energy Division of the Land Use Department, in preparation to conduct a tire collection event this fall, issued a request for proposals to interested contractors capable of providing tire collection services, and

WHEREAS, on April 19, 2023, the Resource Recovery received one (1) response from the RFP, and

WHEREAS, Resource Recovery & Energy Division recommends, and the Executive Committee concurs, that the bid be awarded to the lowest responsible bidder of Treadstone Tire Recycling, Joliet, IL, to provide one tire collection event on September 16, 2023 for an estimated cost of \$4,000 per trailer for car tires, and \$5,000 per trailer for oversized tires, and

WHEREAS, sufficient appropriations exist in the Resource Recovery and Energy Division Budget to fund this event.

NOW, THEREFORE, BE IT RESOLVED, that the Will County Board hereby awards the bid to the lowest responsible bidder of Treadstone Tire Recycling, Joliet, IL, to provide one tire collection event on September 16, 2023 for an estimated cost of \$4,000 per trailer for car tires, and \$5,000 per trailer for oversized tires

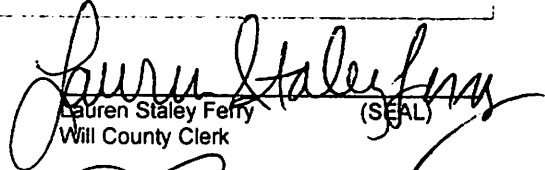

BE IT FURTHER RESOLVED, that the Preamble of this Resolution is hereby adopted as if fully set forth herein. This Resolution shall be in full force and effect upon its passage and approval as provided by law.

Adopted by the Will County Board this 18th day of May, 2023.

RE: Recommendation of Residential and Farm Tire Collection Contractor

Through the Will County Purchasing Department, the Will County Land Use Department, Resource Recovery and Energy Division (RR & E Division) requested proposals from different tire recycling companies to host a tire collection/drop-off event for residents and farmers of Will County. In addition to the standard posting of the RFP by the Purchasing Department, the RFP was also emailed to five known tire recycling vendors, which included four previous vendors on file and one address for Demandstar. The RFP indicated that the tire event is to take place on September 16, 2023, at the Will County Fairgrounds located in Peotone. Treadstone Tires was the only tire recycling vendor that responded to the RFP by the posted deadline date of April 19, 2023.

After reviewing the bid proposal, Treadstone Tire Recycling will be charging \$4,000/semi-trailer of light weight vehicle tires and \$5,000/semi-trailer for oversized/farm tires.

Treadstone Tire Recycling, is a local business located in Joliet. Treadstone Tire Recycling has conducted several tire events for the RR&E Division in the past. The company has been very responsive and efficient with past tire events conducted for the County. Clean up of the drop-off sites after the previous events has been pristine and conducted in a timely manner. Therefore, the RR & E Division staff is recommending Treadstone Tire Recycling of Joliet to be approved to enter into an agreement with the County to conduct the September tire collection/drop-off event for the County. Thank you.
