The renewals are for a one-year contract period that will not exceed the percentage of increase you enter on the attached bid form. The renewal will require County Board approval.

NO BIDS:

Those who wish not to bid on this project please return your bid plainly marked "NO BID" or send email indicating “NO BID” to retain your company’s name on the bidder list. If you choose not to reply your company name will be removed and no future bids will be sent.

PRIME CONTRACTOR CERTIFICATION:

Included in this bid package is a prime Contractor certification form. **This form must be filled out, signed and returned with your sealed bid package or it will not be accepted.**
WORDS AND FIGURES:
Where amounts are given in both words and figures, the words shall govern. If the amount is not written in words the unit cost will take precedence over the extended price in case of a discrepancy in the multiplication.

BID SECURITY:

A 10 % Bid Bond or Cashier’s Check made payable to the Will County Treasurer shall accompany each bid, attached to the front cover, as a guarantee that if the bid is accepted, a Contract will be entered into. **Money Orders or Company checks will not be accepted.**

The bid bond or cashier’s check of the successful bidder shall be retained by the County of Will until bid is approved by County Board. The Contractor shall at all times observe and comply with any law, statute, regulation or the like relating in any way to civil rights including but not limited to the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq.

DEFAULT:

In case of default by the successful Bidder, the County of Will may procure the articles or services from other sources and may deduct from the unpaid balance due the successful bidder any of its costs resulting from the default, or may collect against the bond or surety for excess costs so paid, and the prices paid by the County of Will shall be considered the prevailing market price at the time such purchase is made.

Will County reserves the right to cancel the contract if the bidder fails to perform the work required in the bid specifications after efforts to resolve any problems that have been unsuccessful.

PRICES & QUANTITIES:

Prices shall remain in effect throughout the Contract Period, which is for a (12) Twelve-month period, from May 1, 2019 through and including April 30, 2020, with two (2) one (1) year optional renewals, at the discretion of Will County.

Quantities are based on last year’s usage and are approximate figures; actual quantities may vary based on resident census and population need. All prices must include any freight and/or shipping charges.

**If County extends the optional renewal for year(s) two and/or three, and no percent of increase has been listed on the bid form, the original first year rates will apply.**

Brand names that may be mentioned in the specifications are used only as a reference to the type and quality of materials or equipment desired.

ALTERNATE BIDS:

Your proposal will be open to the public under the Illinois Freedom of Information Act (FOIA) (5 ILCS 140) and other applicable laws and rules, unless you request in your proposal that we treat certain information as exempt. We will not honor requests to exempt entire proposals. You must show the specific grounds in FOIA or other law or rule that support exempt treatment. If you request exempt treatment, you must submit an additional copy of the proposal with exempt information deleted. This copy must tell the general nature of the material removed and shall retain as much of the proposal as possible. In the event the County of Will receives a request for a document submitted, the County of Will shall provide notice to contractor as soon as practicable. Regardless, contractor will be responsible for any costs or damages associated with defending your request for exempt treatment. Furthermore, contractor warrants that County of Will's responses to requests for a document submitted that is not requested to be exempt will not violate the rights of any third party.

Please be advised that if your proposal is accepted by the County of Will all related records maintained by, provided to, or required to be provided to the County of Will during the contract duration are subject to FOIA. In the event the County of Will receives a request for a document relating to contractor, its provision of services, or the arranging for the provision of services, the County of Will shall provide notice to contractor as soon as practicable and, within the period available under FOIA, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption, making reference to the specific FOIA provision applicable without simply making a general claim that the information is “confidential,” “proprietary,” “exempt from disclosure,” or the like. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment. Furthermore, contractor will warrant that County of Will's responses to requests for a document relating to contractor, its provision of services, or the arranging for the provision of services, or the arranging for the provision of services, will not violate the rights of any third party.
Please be advised also that FOIA provides that any record in the possession of a party with whom the County of Will has contracted to perform a governmental function on behalf of the County of Will, and that directly relates to the governmental function and is not otherwise exempt under FOIA is considered a public record of the County of Will for purposes of FOIA. 5 ILCS 140/7(2). As such, upon request by the County of Will (or any of its officers, agents, employees or officials), the contractor shall provide to the County of Will at no cost and within the time frames of FOIA a copy of any “public record” as required by FOIA and in compliance with the provisions of FOIA. After request by the County of Will, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption, making reference to the specific FOIA provision applicable without simply making a general claim that the information is “confidential,” “proprietary,” “exempt from disclosure,” or the like. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment.
